Dear Mr. Freeman:

Congratulations on the release of the *Military Spouse Finance Guide*. MOAA recognizes the importance of our heroes on the home front and walks the walk with our comprehensive programs and services. As you may know, MOAA maintains a suite of publications targeted at supporting every officer and their family at every stage of their life, to include a number of financial publications. It's exciting to see others championing the cause of financial literacy for military families.

Thank you for sending along the complimentary copy of your publication. You are to be commended on your initiative to provide a resource to military families interested in taking control of their financial situations as well as your effort to further support the military by donating all the proceeds to the AUSA Family Programs. Ms. Sylvia Kidd and her team do an important job.

Thank you for your efforts on behalf of our military families.

Sincerely, *I all the best!*
Norbert Ryan
